

Welcome, QuickBooks Premier 2002 User

## Welcome to the new *Insider E-News*!

You may be wondering what *Insider E-News* is and why you are receiving it. *Insider E-News* is the newsletter you signed up for when you registered your version of QuickBooks. It's been awhile since we last published, and since then we've revamped our newsletter and packed it full of useful tips, new product news and essential services that could help make your small business more successful.

**Help us customize your newsletter.** To ensure you receive an edition that is customized to meet your particular needs, please take a moment to answer 8 short questions about your business. Be one of the first 10 respondents, and you'll **receive a set of FREE QuickBooks Checks**, complete with matching envelopes.

#### FREE Trial of QuickBooks Credit Check Services

Premier users don't miss out on your FREE trial of QuickBooks Credit Check Services — two months of the Gold package are included with your software (an \$80 value). To take advantage of this valuable offer, go to the Customer navigator in QuickBooks and click on the "credit check" icon. Then click the "sign-up" link from the Credit Check Services home page and follow the simple instructions.

*Special Offers are only redeemable online through this newsletter. Offers for software and checks expire September 20, 2002. You must sign up for the Free Trial of QuickBooks Credit Check Services by December 31, 2002. Offers cannot be combined with any other QuickBooks and/or Business Service offerings.*

## Save Time with Software that Integrates with QuickBooks

Make your day-to-day business management easier. Intuit has assembled a marketplace of helpful software applications that integrate with four popular QuickBooks 2002 products. This online software marketplace is loaded with applications that could greatly reduce your time spent on data entry tasks such as estimating, customer contact management, point-of-sale transactions and many others. Visit the new [QuickBooks Solutions Marketplace](#), where you can browse, review and even download integrated applications that could streamline your business.

[Click here](#) to read all about it!

#### Do you have a mission-critical application or business function that doesn't integrate data with QuickBooks?

[Tell us about it.](#) Developers are working on new applications that will integrate data with QuickBooks, and your idea could be next.
