

Welcome, QuickBooks 2001 User

Welcome to the new *Insider E-News*!

You may be wondering what *Insider E-News* is and why you are receiving it. *Insider E-News* is the newsletter you signed up for when you registered your version of QuickBooks. It's been awhile since we last published, and since then we've revamped our newsletter and packed it full of useful tips, new product news and essential services that could help make your small business more successful.

Help us customize your newsletter. To ensure you receive an edition that is customized to meet your particular needs, please take a moment to answer 8 short questions about your business. Be one of the first 10 respondents, and you'll **receive a set of FREE QuickBooks Checks**, complete with matching envelopes.

→ QuickTips: Expert Answers & Software Shortcuts

For Users of QuickBooks 2001:

Q: How do I handle advance payments or deposits (retainers) from customers?

A: Many businesses collect up-front fees (or retainers) from their clients to be applied against future billings. [Click here](#) to get all of the details.

Q: How do I track commissions?

A: You can set the actual amount or rate of the commission item on each employee's payroll record or when you write a paycheck. [Click here](#) to find out how to do this.
